Community Guidelines
Overview
Be respectful. Skillvia is for learning, teaching and constructive professional interaction.
Your responsibilities
Do not harass, threaten, discriminate, sexualise interactions, solicit illegal activity, misrepresent qualifications, manipulate reviews, or move conversations off platform to evade safety or payment controls.
Safety and enforcement
Use Report and Block if another user makes you uncomfortable. Skillvia may restrict or remove accounts while reports are reviewed.
Version: 21 October 2026 · Launch draft

Privacy Notice

Overview

Skillvia uses account information, profile data, messages, bookings, uploaded media and safety reports to operate the service, provide support, prevent abuse and meet legal obligations.

Your responsibilities

We aim to collect only what is needed for the service. Access to private booking and messaging data is limited by database security policies.

Safety and enforcement

Before public launch this notice should be reviewed by a UK-qualified privacy professional and updated with the final controller address, retention schedule, subprocessors and contact details.

Version: 21 October 2026 · Launch draft

Terms of Use

Overview

Skillvia is a marketplace that helps adults discover and book independent experts. Experts are responsible for accurately describing their skills, availability and session content. Learners are responsible for choosing suitable sessions and following reasonable safety instructions.

Your responsibilities

Accounts must contain accurate information. Harassment, fraud, unsafe conduct, impersonation, prohibited services and attempts to bypass platform safety controls are not permitted.

Safety and enforcement

Payments, cancellations, refunds and expert payouts will be governed by the booking terms shown at checkout once Stripe payments are activated.

Version: 21 October 2026 · Launch draft

Cancellations & refunds

Overview

Card payments are not enabled yet. When secure checkout is activated, the exact cancellation window and refund rules will be shown before payment.

Your responsibilities

The intended policy is to give learners a clear cancellation deadline, provide expert protection against very late cancellations, and automatically refund where the expert cancels or the service cannot be delivered.

Safety and enforcement

Final payment and refund wording must match the Stripe implementation and UK consumer-law review before taking public payments.
